

Ewe #6585

Current LPI Score: 126

Age: 26 months

Colour: Red Most And White

Birth Status: SINGLE

Times Lambed: 2

Lambs Born: 3

Lambs Weaned: 3

Inter Lambing Period: 290 days

Child-to-Mating Ratio: 3:3

Logix Merit Index (LMI): 90

Studbook Birth Tag: LA22-4604

Studbook Registered: YES

Studbook Section: B

Performance Evaluation:

Ewe #6585 has an LPI of 126, which is above the breed average, qualifying her as an Authentic Meatmaster. Her inter lambing period of 290 days is within the acceptable range, indicating efficient reproductive performance. The child-to-mating ratio of 3:3 reflects strong productivity. Although her LMI is below the breed average, her LPI score highlights her value within the herd.

Dam #8591

Current LPI Score: 150
